Motion by Huse to authorize the repair of the mailboxes at the townhomes, second by Lintelman, carried.

EDA member Hunter brought up the idea of having some promotion done on the empty lots in town as well as the empty business. One idea was to have a sign created that would show the location of the empty lots. It was the consensus of the EDA to have staff reach out the realtor about the promotion of the empty lots and have staff check to see what needs to be done to get some the EDA buildings ready for sale.

Hunter brought up the fact that two loans defaulted in payment and there were legal fees that were charged. Hunter wondered if the EDA should absorb the cost or if they could go after the loans. It was the consensus of the EDA to absorb the cost as it was the EDA loan and to have the EDA Director send a letter to the loan receipts that the fee would be paid.

In other business, EDA Member Lintelman asked when the Zender building will be taken down and what would happen with the Casper's building.

Motion to adjourn by Williamson, second by Huse, carried. Meeting declared adjourned at 5:56 p.m.
